Establishment of Internal Quality Assurance Cell (IQAC)

According to the proposals of the NAAC every accredited institution should establish IQAC as a post-accreditation quality sustenance measure and this cell will become a part of an institution system and work towards realizing the goals of the quality enhancement and sustenance in the institution. Its prime task will be to develop a system for conscious consistent and catalytic improvement in the performance of the institution. Thus IQAC will channelize the efforts and measures of an institution towards academic excellence.

IQAC shall evolve mechanism and procedures for:

- a. Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
- b. The relevance and quality assurance of academic and research programmes.
- c. Optimization and integration of modern methods of teaching and learning.
- d. Ensuring the adequacy, maintenance and functioning of the support structure and services.
- e. Development and application of quality bench marks for various academic and administrative activities leading to quality improvement.
- f. Organization of workshop, seminars on quality related themes and promotion of quality circles.
- g. Documentation of the various programmes and activities leading to quality improvement.
- h. Acting a nodal agency of the institution for quality related activities.
- i. Preparation of the Annual Quality Assurance Report (AQAR) to be submitted to NAAC based on quality parameters on yearly basis.

Therefore, for the purpose of attaining the desired objectives as per the NAAC guidelines IQAC is being constituted comprising of the following –
