ABOUT THE COLLEGE:

Maharani Lal Kunwari Post Graduate College, Balrampur, established in 1955 by the great philanthropist Late Maharaja Pateshwari Prasad Singh in memory of his mother, has evolved into a leading center of higher education in the Terai region. The expanding campus today is equipped with modern facilities including Wi-Fi, CCTV, and a well-resourced library, creating an environment conducive to learning, research, and innovation. Affiliated with the Maa Pateshwari University, MLK PG College continues to uphold its legacy of excellence while embracing growth, innovation, and future readiness.

ABOUT THE DEPARTMENT:

The Department of Psychology at MLK PG College is dedicated to academic excellence and compassionate exploration of the human mind. It fosters critical thinking, emotional intelligence, and research skills, preparing students to address complex psychological issues. With experienced faculty, a dynamic curriculum, and a strong focus on mental health awareness, the department empowers future psychologists. Through workshops, counseling sessions, and outreach programs, it promotes emotional well-being and builds a more empathetic, resilient society.

ABOUT THE WORKSHOP:

The current theme for World Suicide Prevention Day (2024-2026), “Changing the Narrative on **Suicide**,” highlights the need to challenge myths, reduce stigma, and encourage compassionate conversations. It calls for a shift from silence to empathy and action, urging both individuals and institutions to prioritize mental health and create safe, supportive environments. This workshop aligns with that goal by raising awareness, promoting dialogue, and equipping students with tools to recognize risks, offer support, and seek help.

TARGET AUDIENCE:

Academicians, Social Scientists, Faculty members, research scholars, PG & UG students Health and Allied sector professionals.
